

Ogre::Any

```
classDiagram
    class OgreAnyNumeric["Ogre::AnyNumeric"]
    class OgreAny["Ogre::Any"]
    OgreAnyNumeric --|> OgreAny
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'Ogre::AnyNumeric'. A vertical blue arrow points upwards from this box to a white box labeled 'Ogre::Any' at the top. This represents that 'Ogre::AnyNumeric' inherits from 'Ogre::Any'.
