

Ogre::Any

```
classDiagram
    class OgreAnyNumeric["Ogre::AnyNumeric"]
    class OgreAny["Ogre::Any"]
    OgreAnyNumeric --|> OgreAny
```

The diagram illustrates a class hierarchy. At the top is a box labeled 'Ogre::Any' with a light gray fill. Below it is a box labeled 'Ogre::AnyNumeric' with a white fill. A blue arrow points from the 'Ogre::AnyNumeric' box up to the 'Ogre::Any' box, indicating that 'Ogre::AnyNumeric' inherits from 'Ogre::Any'.
