

SerializerAlloc

```
classDiagram
    class SerializerAlloc
    class "Ogre::MaterialSerializer"
    SerializerAlloc <|-- "Ogre::MaterialSerializer"
```

A UML class diagram illustrating inheritance. At the top is a white rectangular box labeled 'SerializerAlloc'. Below it is a gray rectangular box labeled 'Ogre::MaterialSerializer'. A blue arrow points vertically from the top of the 'Ogre::MaterialSerializer' box to the bottom of the 'SerializerAlloc' box, indicating that 'Ogre::MaterialSerializer' inherits from 'SerializerAlloc'.
