    class ResourceAlloc
    class "Ogre::Quake3Level"
    ResourceAlloc <|-- "Ogre::Quake3Level"
```

A UML class diagram illustrating inheritance. At the top is a white rectangular box labeled 'ResourceAlloc'. Below it is a gray rectangular box labeled 'Ogre::Quake3Level'. A blue arrow points vertically from the top of the 'Ogre::Quake3Level' box to the bottom of the 'ResourceAlloc' box, indicating that 'Ogre::Quake3Level' inherits from 'ResourceAlloc'.
