

UtilityAlloc

```
classDiagram
    class UtilityAlloc
    class "Ogre::Volume::DualGridGenerator"
    "Ogre::Volume::DualGridGenerator" --|> UtilityAlloc
```

A UML class diagram illustrating inheritance. At the top is a box labeled 'UtilityAlloc'. Below it is a box labeled 'Ogre::Volume::DualGridGenerator'. A blue arrow points from the bottom of the 'Ogre::Volume::DualGridGenerator' box to the bottom of the 'UtilityAlloc' box, indicating that 'Ogre::Volume::DualGridGenerator' inherits from 'UtilityAlloc'.
