

TerrainAlloc

```
classDiagram
    class TerrainAlloc
    class "Ogre::TerrainPaging"
    TerrainAlloc <|-- "Ogre::TerrainPaging"
```

A UML class diagram illustrating inheritance. At the top is a white rectangular box labeled "TerrainAlloc". Below it is a gray rectangular box labeled "Ogre::TerrainPaging". A blue arrow points vertically from the top of the "Ogre::TerrainPaging" box to the bottom of the "TerrainAlloc" box, indicating that "Ogre::TerrainPaging" inherits from "TerrainAlloc".
