    class FXAlloc
    class Ogre_ParticleVisualData["Ogre::ParticleVisualData"]
    Ogre_ParticleVisualData --|> FXAlloc
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'Ogre::ParticleVisualData'. A blue arrow points vertically upwards from this box to a white box labeled 'FXAlloc' at the top. This indicates that 'FXAlloc' inherits from 'Ogre::ParticleVisualData'.
