

Ogre::LodCollapseCost

```
classDiagram
    class Ogre_LodCollapseCostProfiler["Ogre::LodCollapseCostProfiler"]
    class Ogre_LodCollapseCost["Ogre::LodCollapseCost"]
    Ogre_LodCollapseCostProfiler --|> Ogre_LodCollapseCost
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'Ogre::LodCollapseCostProfiler'. A blue arrow points vertically upwards from this box to a white box labeled 'Ogre::LodCollapseCost' at the top. This indicates that 'Ogre::LodCollapseCostProfiler' inherits from 'Ogre::LodCollapseCost'.
